FOR GRADUATES OF THE SELF-ALCHEMY CLAIRVOYANT PROGRAM

Graduates of Self Alchemy, or any other BPI-style program, are invited to join this 1-year training. Work with the tools you learned in the clairvoyant program to deepen your awareness, clear energy blocks, and continue to swim through the depths that have risen from lifetime to lifetime. You will learn to:

Take Your Reading Skills to the Next Level - Continue to master intuitive reading, healing, and deprogramming with fellow graduates.

Learn Deeper Levels of Energy Healing - Expand on your skills to heal the aura, chakras, energy channels, and astral body.

Master Deprogramming - Deprogram limits, family energy, non-havingness, creative blocks and societal energy so you can be free and find your own answers.

Learn Advanced Tools - There are a number of advanced energy tools that we don't always get to in Self Alchemy. We will explore new, advanced tools to raise your energy to the next level.

Create Your Next Steps - With a heightened sense of awareness and havingness, you'll be ready to create your mock ups from a new consciousness and energy level.

Unlock Your Full Potential as a Spiritual Being - As you fully embrace your true calling and energy as a spiritual being with tools and an ability to read energy, you'll be able to ground into why you are really on this planet, and enjoy the process ... with neutrality and amusement.
